Remarks

This Amendment is in response to the Office Action dated **September 21, 2006**.
The Examiner required new drawings, rejected claims 1-16 under §112, and indicated claims 1-16 would be allowable if rewritten to overcome the §112 rejections.

Applicant has submitted replacement formal drawings which overcome the drawing objections. Applicant has also amended claim 1 to provide proper antecedent basis for all the problems identified in the §112 claim objections rejection of page 3 of the office action. Fixing these problems also fixed all the antecedent basis problems with the dependent claims 2-16.

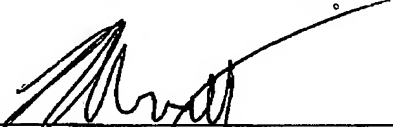

Claims 1-16, as amended, are now believed to be in condition for allowance.

Respectfully submitted,

VIDAS, ARRETT & STEINKRAUS
